THE RENTAL GUIDE 2025-2026

THE
ENSORA
CEREMONY SPACE

THE SPACE

The Ensora is a private and intimate ceremony space designed for those who value calm, authenticity, and quiet connection. Every element within the room is intentional, from the soft balance of light to the warmth that surrounds its minimalist design.

It is cozy yet refined, modern yet deeply personal. A small and private space where couples can be fully present and experience the essence of their moment together.

THE MEANING OF ENSORA

Our name blends two symbols:

Enso (円相) - the circle of wholeness and imperfection.

Sora (空) - the sky, openness and possibility.

THE CREATORS

OFFICIANT
KEVIN LEUNG

OFFICIANT
KIT CHAN

Kevin & Kit have officiated 2,000+ weddings in the past 11 years, supported by 20+ years of experience in the wedding industry.

Before The Ensora, we founded and led three award-winning wedding brands including *HEE Creations Photography*, *Amara Wedding*, and *Vancity Officiant*, and now The Ensora. Each chapter inspired us what makes a wedding ceremony feel meaningful and authentic.

Our shared philosophy, “All Beings Are Equal,” guides everything we do. Every love deserves to be witnessed with the same respect, presence, and care.
